HOW ARE WE TRANSFORMING CAREERS IN TECH?

In the 21st century, technology dominates, driving young minds to pursue tech careers. Advancements like smartphones and AI have reshaped how we live, work and connect, propelling us into a transformative digital age. RNS IT Solutions provides the 21st-century skills necessary for today's generation.

DIGITAL LEARNING PLATFORMS

Utilize online platforms and learning management systems for accessible resources and collaboration.

PERSONALIZED LEARNING

Tailor learning experiences with adaptive technology to suit individual student needs.

VIRTUAL REALITY (VR) AND AUGMENTED REALITY (AR)

Provide immersive learning experiences through virtual environments and interactive digital content.

REMOTE LEARNING INFRASTRUCTURE

Establish digital resources to support equitable education regardless of location.

DATA ANALYTICS AND INSIGHTS

Track student progress and personalize instruction using real-time feedback.

CODING AND STEM EDUCATION

Introduce critical thinking and digital literacy skills through early coding and STEM education.

PROFESSIONAL DEVELOPMENT

Offer ongoing training to enhance digital literacy and teaching practices.

SECURITY AND ETHICAL USE OF TECHNOLOGY

Educate students on responsible digital citizenship and ethical technology practices.

WELCOME TO TIPS-G YOUR GATEWAY TO TECH EXCELLENCE

At TIPS-G, we're not just offering a training program – we're crafting a pathway to success in the dynamic world of technology. Backed by We RNS IT Solutions Private Limited, a leading software company, TIPS-G stands as a beacon of innovation and expertise.

Why Choose TIPS-G ?

- **Industry Experts as Mentors:** Our training program is led by industry experts who actively work within our software company, providing you with real-world insights and hands-on experience.
- **Comprehensive Curriculum:** From Cyber Security to Data Science, AI/ML, Software Development, DevOps, Cloud Computing, and Digital Marketing, our curriculum covers a wide array of tech domains to equip you with the skills of tomorrow.
- **100% Paid Internship:** Gain valuable industry experience through our 100% paid internship opportunity, where you'll apply your knowledge in a professional setting and expand your network.
- **100% Job Guarantee:** We're committed to your success. Upon completion of our program, you'll be equipped with the skills and confidence to step into the tech industry with a guaranteed job offer.

ABOUT RNS JOURNEY AND GROWTH

2017
Started as a small proprietorship firm with a dorm office situated in Jaipur the heart of Rajasthan. In early days RNS Group started as a small software development company with a bare minimum of 5 people.

The Year 2020 proved to be the game changer as we grew 20x speed, amid the global pandemic. Our leadership, determination and initiative-taking intrapreneurs proved to be our crucial pillars of success.

2023
RNS Group expanded into new markets, diversified services, increased staffing and fostered start-up support. Prioritizing remote work, sustainability and forming strategic partnerships fueled further growth.

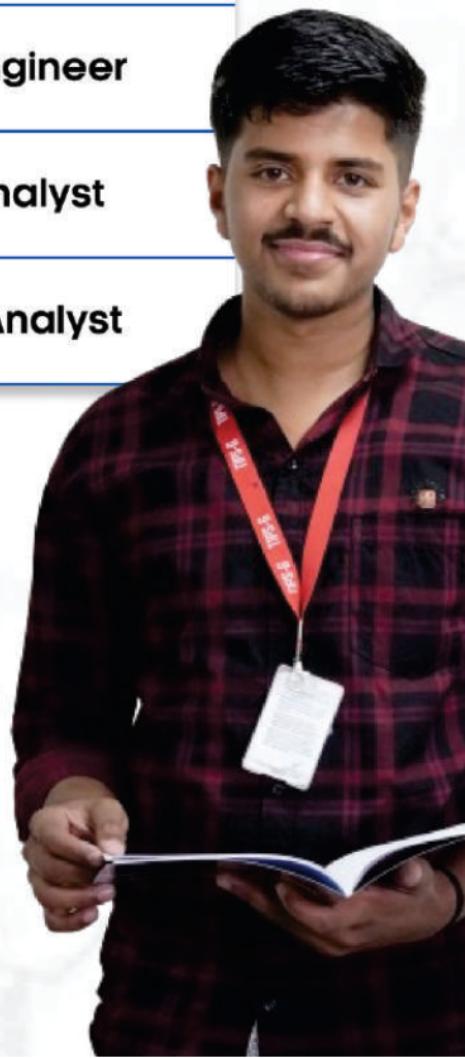

Our vision is to lead with preventive AI, achieving the unicorn vision while extending our international reach through Dubai and Middle-East. We aim to revolutionize industries and transcend boundaries,
